

## Join VIP for an Adventure in Haiti

Friday, January 10 - Saturday, January 18, 2020 or  
Saturday, January 18 - Sunday, January 26, 2020

### **An adventure of travel in service, culture, and fun!**

Fly into Haiti's largest city, Port-au-Prince, and then travel over the mountains to Mirebalais. In the mornings we'll tour a school, see the local hospital, visit an orphanage, experience the market, and even play in a waterfall. In the afternoons we'll meet with Haitian students to supplement their English with interactive learning. You'll also have an opportunity to volunteer with the clean water project. We'll even visit a museum, stop at Croix des Bouquets where artisans have transformed old iron drums into stunning pieces of art, and stop at Papillion—a made in Haiti shopping experience.

### **It will be an unforgettable experience!**

**Only \$1,200 plus airfare**

(Airfare averages \$800)
